FACILITIES MANAGEMENT AUTOMATION NEWSLETTER

SINCE 1978 THE AUTHORITATIVE REPORT ON DEVELOPMENTS IN AUTOMATION OF FACILITIES MANAGEMENT AND MAPPING

"The F-M AUTOMATION NEWSLETTER sure covers the field well. It is informative, timely and relative. I especially appreciate the helpful feature of providing detailed information on who to contact for follow up on each article." Gerry Mazur, **Markhurd Corporation**, Minneapolis, MN

"I find the F-M AUTOMATION NEWSLETTER to be a timely and very up-to-date source of what's happening in the field. Robinson has established an excellent industry information network and consistently follows up on developing news items." Glenn Montgomery, **Utility Graphics Consultants** Englewood, CO

"I especially want to compliment you on the Perspective section of the F-M AUTOMATION NEWSLETTER. It contains the kind of understanding that all systems buyers should be aware of."
Ron Kramer, **Resource Dynamics Inc.**, New York, NY

"The F-M AUTOMATION NEWSLETTER is the one newsletter that I look forward to receiving each month. It's both informative and enjoyable to read." Jim Pruitt, **Decision Graphics, Inc.**, Huntsville, AL

"I like the way you abstract each issue's articles on the front page. I simply scan page one . . . select the articles of most value to me . . . and turn to the referenced page. It saves me time."
Tom Moore, **Synercom Technology, Inc.**, Sugar Land, TX

"Whoever said that information is power must have had your newsletter in mind. You do an excellent job."
Wayne Staats, **Advanced Computer Graphics, Inc.**, Milwaukee, WI

"I've been a reader of your newsletter for many months and have been consistently impressed by the broad scope and in-depth coverage of your reporting. Your articles have provided timely information to me on numerous occasions - first, in my capacity as an architect and space planner and, secondly, in my present position as an in-house consultant to a CAD vendor. Keep up the good work" Bob Thomson, **Prime Computer, Inc.**, Natick, MA

"Your newsletter is really valuable to me. In particular, your Perspective articles strike home. They present an informed viewpoint on how we do business." Carl Waltjen, **Gilbert/Commonwealth**, Jackson, MI

"Anyone and everyone who is concerned with getting the most out of America's valuable facilities - be they commercial buildings, hospitals, university plant, industrial production buildings, or geographically spread out outside utility facilities, can't afford to miss the timely information reported each month in the F-M AUTOMATION NEWSLETTER. Robinson knows what he's talking about." Ed Forrest, **A-E-C Automation Newsletter**,
