## ACADEMIC COMMITTEE OF THE ENCYCLOPEDIA

Mieczyslaw BACEWICZ- Polish Systems Society,  
University of Technology, Wroclaw, Poland

Heiner BENKING, Berlin, Germany

Sören BRIER- Editor of "Cybernetics and Human  
Knowing", Copenhagen, Denmark

Gerhard CHROUST- General Secretary of the  
International Federation for Systems Research,  
University of Linz, Austria

Daniel DUBOIS- President of CHAOS, Centre for  
Hyperincursion and Anticipation in Ordered  
Systems, Institute of Mathematics, University of  
Liège, Belgium

John van GIGCH- Professor (Em.) of Management,  
California State University, Sacramento, USA

Ranulph GLANVILLE- Cybernetics Research,  
Southsea, United Kingdom

Ernesto GRÜN- President Asociación Argentina de  
Cibernética y Sistemas, Buenos Aires, Argentina

Michael JACKSON- Editor of "Systems Research  
and Behavioral Science", University of Hull and

Humberside, United Kingdom

Anthony JUDGE- General Secretary of the Union of  
International Associations, Brussels, Belgium

Magdalena KALAJDIEVA- Institute for Control and  
Systems Research, Bulgarian Academy of  
Science, Sofia, Bulgaria

Gianfranco MINATI- President of the Associazione  
Italiana per la Ricerca sui Sistemi, Milano, Italia

Matjaz MULEJ- President of the Slovenian Society  
of Systems, University of Maribor, Slovenia

Nicolas PARITSIS- Vice President of the European  
Union of Systems, Heraklion, Crete, Greece

Francisco PARRA LUNA- Facultad de Sociologia,  
Universidad Complutense, Madrid

Ricardo RODRIGUEZ ULLOA- President of the  
Instituto Andino de Sistemas, Lima, Perú

Markus SCHWANINGER- Institute of Management,  
University of Sankt Gallen, Switzerland

G.A. SWANSON- College of Business  
Administration, Tennessee Technological  
University, Cookeville, TN, USA

Eric SCHWARZ- Centre Interfacultaire d'Etudes  
Systémiques, Université de Neuchâtel, Suisse

Robert TRAPPL- President of the Austrian Society  
for Cybernetics and Systems, University of Vienna,  
Austria

Stuart UMPLEBY- Center for Social and  
Organizational Learning, George Washington  
University, Washington, D.C., USA

Robert VALLÉE- Director of the World Organization  
of Systems and Cybernetics, Université de Paris-  
Nord, France

John WARFIELD, Director of the Institut for  
Advanced Study in the Integrative Sciences,  
Fairfax, Virginia, USA.
